Privacy Policy

In short: We collect only what we need to run your meet, we keep it safe, and we never sell it.

What we collect

When you join a meet or create a profile, we may ask for your name, email, phone number, age, gender and fitness level.

Why we collect it

To confirm your spot, send you meet updates, keep our community safe, and make FitMeet better.

How we protect it

Your data is protected with standard security measures. No website can promise 100% security, but we work to keep your information private and safe.

Who else sees it

Payments are handled by Razorpay. It receives only the details needed to process your payment and cannot use them for anything else. We never sell your data.

Terms & Conditions

In short: Come if you can make it, train at your own pace, and play fair.

1. Using FitMeet

By using this website or joining a meet, you agree to these terms. If you don't agree, please don't use FitMeet.

2. Who can join

Every meet happens in person at a gym or outdoor spot in Patna. Register only if you can be there on the day. Your spot is personal and can't be passed on to someone else.

3. Your safety

Fitness activities come with some risk. By joining, you confirm you're fit enough to take part. FitMeet, its organizers and its collaborators are not responsible for any injury, loss or damage during a meet.

4. Registration and payment

Please fill in your details correctly. For paid meets, your spot is confirmed only once payment goes through. If you register but don't show up, no refund will be given. See our Refund Policy for details.

5. Photos and videos

We capture moments at every meet. By taking part, you allow FitMeet to use these photos and videos on our website and social media.

6. Updates to these terms

We may update these terms from time to time. Please check this page now and then.

Refund Policy

In short: If we cancel or change a meet, you get your money back. If you can't make it, you don't.

Once confirmed, registrations are non-refundable and can't be transferred.

You'll get a refund if

- FitMeet cancels the meet.
- The meet moves to a new date and you can't attend.
- FitMeet makes a major change to the meet.

You won't get a refund if

- You don't show up.
- Your plans change.
- You arrive late or can't take part.
- The weather isn't great, unless FitMeet cancels the meet.

How refunds work

Approved refunds reach your account within 7–14 working days.

By registering for a meet, you agree to this policy.
